

Big Sale Week

FISHING KOREA 2020

7. 17 | Fri | ~ **19** | Sun |

KINTEX

2020 FISHING KOREA

According to both attendees and exhibitors participating in the first show, 'The FISHING KOREA' was a great success.

Over the past few years, because of the fishing population has grown considerably, thanks to technological advances and passions of fishing people, fishing has been revolutionized and propelled the Korean fishing industry to the front line.

If fishing is your passion then make sure to mark your calendar for July 17-19, 2020 to meet all items related to fishing, camping, and boats are gathered in one place when Fishing Korea returns to KINTEX.

- ✔ The official summer festival for the fishermen gathering the latest trends in the changing fishing industry!
- ✔ A large number of domestic & foreign buyers attend by exchanging various industrial information and demonstrating new technology.
- ✔ The best business platform for promoting products and brands
- ✔ Organize various events including lectures, demonstrations, etc.
